Subject: 20220206 1700 Meeting Update

Hi Rob,

Here is the update after the 1700 meeting

RPS

Quiet day
Crowd has not changed much all day
Allegation that sometime during night the protesters may have been egged
RPS will look onto allegations but there are currently no active investigations
Planning for enforcement tonight
Enforcement will happen sometime after 1900

GR

Continuation of current configuration of barricades, no end date decided yet
Public communication coming up

PCC CSO

Working on plan for staffing barricades
Will take over from RPS at 0900
CO's and SHP will assist.
Good Monday dayshift
Looking to schedule for Monday evening
Protestors planning on having a pig roast – Enforcement may disrupt that
Will discuss plan going forward with stakeholders
Will discuss with CPSS if more resources are required

CPSS

Nothing significant to provide to the group

MOE

Nothing of significance to report

Sask Builds

Opening access points for staff
Positions will be manned

Legislature Security

Will send email what business cards look like for check points
Staff have been advised to have their ID available
Provided poster with photos of MLA's
Legislature closed to public for Monday
Provided update to stakeholders what to expect (Check points/ID checks)

GR Communications

Barricades will stay for time being
No set end date
Internal Communications – staff will be advised how to get into area
External – Media advisory that the barricades will remain (Focus on Frost Festival)
Got lots of media requests for what is happening with the barricades

SPSA

Emergency response team officers can assist (all uniformed)
Some resources can be put into place
Fire Inspectors may assist
Have mobile command post available
Have resource availability document they can share

SHP

Want to make sure that current SHP appointment would cover this situation
Appointment is specific when dispatched with to an incident where there is an imminent need to respond or encounter an offence in normal course of duties.
They would not normally be in the city so this would not be a normal situation.
SHP not comfortable providing members.
(Need clarity from civil law if the current appointment would cover them)

Next meeting

Sunday 20220207 1100
